Public Observing Sessions

Telescopes will be available for viewing the planets and deep sky objects, or bring your own telescope!

Hosted By:
Butter Pot Provincial Park and
Royal Astronomical Society
of Canada (RASC) St. John's

WELCOME!

Please join the RASC as we “focus in” on the Wonders of the Night Sky. You can observe with unaided eye, binoculars and telescopes.

See spectacular views of the Moon, planets, nebula, star clusters, galaxies & comets

All viewings are weather dependent (ie. clear sky)

NOTE: Please be mindful of your pets & bicycles near display telescopes.

Parking

- Comfort Station (2 areas)
- Beach Lot
